

# Plant Chess Coaching

## *Planting seeds for your chess growth*

### School Coaching Programs

Our school coaching programs involve us coming to your school once a week, either before school, during a lunch break, during sport or after school. Each session will involve a mix of chess theory and practical application, and they are designed to cater for all abilities.

😺 *If you ever forget the rules of chess, don't worry, you're allowed to check.* 😺

### Super Coach

Every session will be conducted by Super Coach John-Stuart Plant, who is one of Australia's top chess players and has been teaching students of all ages and abilities for over a decade. He has a unique gift for fostering a warm and welcoming environment, ensuring every class is fun and engaging for all.

😺 *Did you hear the one about the cat that lost its chess game? Don't ask meow!* 😺

### Pricing

\$100 per term per student

Free one lesson trial and first term 50% discount if you are new to John-Stuart Plant

#### Missed lesson policy

If a student is unable to make a lesson, a credit will be applied to their fees for the next term.

😺 *Why do the Avengers never have to set up a chess board? It's already assembled.* 😺

### Next steps

If you are interested in participating in our school chess programs (or setting one up if you are a school administrator), please [submit an enquiry on our website](#).

😺 *How do you move your pieces backwards in time? Move them to b4.* 😺
